Grants	Description
Alerts — 3 of 3 grants enabled	
<input checked="" type="checkbox"/> Use Alerts	Create, edit and share any Alerts to which you have access.
<input checked="" type="checkbox"/> Manage All Alerts	View, edit and delete any Alerts irrespective of access to underlying Cards or DataSets. Note that while this doesn't grant access to Cards or DataSets, these users will be able to see computed information as part of the alert values and/or alert history. Typically reserved for Major Domo's or Administrators
<input checked="" type="checkbox"/> Use Alert Actions	View, edit, add, or delete Alert Actions on any Alert of which the user is owner.
Appstore — 3 of 3 grants enabled	
<input checked="" type="checkbox"/> Manage Appstore	View listings of installed Apps, uninstall previously installed Apps, and approve newly submitted Apps in this instance.
<input checked="" type="checkbox"/> Use Appstore	Install and use Apps from the Appstore. Uninstall Apps that you previously installed.
<input checked="" type="checkbox"/> View Appstore	View the Appstore and App information.
Cards and Pages — 7 of 7 grants enabled	
<input checked="" type="checkbox"/> Embed Content	Use Domo Everywhere to embed Cards and Dashboards externally, with or without authentication.
