The screenshot shows the Domo Alerts management interface. At the top is a navigation bar with 'DASHBOARDS', 'ALERTS', 'BUZZ', 'APPSTORE', 'DATA', and 'MORE'. The 'ALERTS' tab is active. Below the navigation bar is a search bar and an 'ADD FILTER' button. On the left, a sidebar contains 'Manage Alerts' with a 'QUICK FILTERS' menu listing 'All Alerts', 'Triggered', 'Status alerts', 'Subscribed', 'Owned by you', 'Needs attention', and 'Suggested'. The main area displays a list of alert cards. Each card includes an icon, a title, a subtitle, the alert owner, subscribers, trigger frequency, and subscription options. The fourth card, 'Any item is greater than or equal to 6', is highlighted with a yellow border. Annotations with yellow lines point to various elements: 'Alert Center' points to the 'ALERTS' tab; 'Search' points to the search bar; 'Filter' points to the 'ADD FILTER' button; 'Share' points to the share icon in the first card; 'Quick Filters' points to the sidebar menu; 'Alerts View' points to the bell icon; 'Discover' points to the grid icon; 'Settings' points to the gear icon; 'Alert Card' points to the highlighted card; 'Subscription Options' points to the subscription icons in the first card; and 'Subscribe' points to the '+ SUBSCRIBE' button in the second card.
